

## How do I return my books?

Books are returned one of two ways: Either by using the prepaid shipping envelope sent to you which already has a USPS label attached to the outside, or by [printing this label](#), and using your own box or envelope. *If you're reading this, looks like you're using your own packaging, so here are some instructions:*

1. Put your book(s) inside a box or envelope and secure them with packing material.
2. Tape this PREPAID label to the outside.
3. Drop the package off at the nearest U.S. Postal Service [office location](#).

**Print for only one package.** For multiple packages please close window and create additional label(s).

Once your books arrive at our warehouse, we'll clear them from your account and send an email so you know we got 'em!

Thanks,
